Dictionary Of Dictionary Of The North West Semitic Inscriptions (Handbook Of Oriental Studies/Handbuch Der Orientalistik) The North West Semitic Inscriptions (Handbook Of Oriental Studies/Handbuch Der Orientalistik)

J. Hoftijzer

The North-West Semitic epigraphic contributes significantly to our figuring out of the previous testimony and of the Ugaritic texts and Dictionary Of The North West Semitic Inscriptions (Handbook Of Oriental Studies/Handbuch Der Orientalistik) to our wisdom of the North-West Semitic languages as such. This dictionary is anxious with the North-West Semitic fabric present in inscriptions, papyri and ostraca in Phoenician, Punic, Hebrew, quite a few varieties of Aramaic, Ammonite, Edomite, the language of Deir Alla et cetera. the fabric covers the interval from ca. one thousand B.C. to ca. three hundred A.D. along with translations the entries contain discussions and whole references to scholarly literature. The booklet is a translated, up to date and significantly augmented variation of Jean & Hoftijzer, "Dictionnaire des inscriptions semitiques de l'ouest," The additions quandary newly came upon texts in addition to references to new scholarly literature. The ebook is an quintessential device for study in North-West Semitic epigraphy, at the outdated testimony and on Ugaritic texts, and for Semitic linguistics.
