LIFE

— it just takes practice —

BO LOZOFF

DIRECTOR OF THE HUMAN KINDNESS FOUNDATION

It's a Meaningful Life by Bo Lozoff

Bo Lozoff

Lozoff, whom the Utne Reader has named one of many nation's a hundred non secular Visionaries, has written a compelling feedback of the anomic period within which we live. In our age, Lozoff writes, we do not take some time to take pleasure in daily pleasures, similar to having dinner with relations or looking at the sunlight set. "Our civilization", he writes, "is in severe trouble": consumerism runs rampant, and other people are more and more estranged from one another. it truly is his rivalry that integrating easy religious practices into our day-by-day lives might help make existence extra fulfilling and meaningful. Lozoff doesn't prescribe yes non secular practices that he thinks all people should undertake. Rather, drawing on a wealth of traditions from Tibetan Buddhism to Hasidic Judaism, the writer provides an It's a Meaningful Life beautiful pastiche of practices from prayers to respiring exercises. Readers will find out about vintage mantras (Om mani padme hum, the Tibetan Mantra of Compassion and the Jesus Prayer) and extra modern ones, corresponding to "No challenging feelings". yet Lozoff's day-by-day practices aren't restricted to the evidently religious -- in his dialogue of "living simply", he urges readers to get out of debt, to provide away an previous publication once they purchase a brand new one and to devour extra domestic cooking. Books on find out how to make investments lifestyles with spirituality are a dime a dozen, yet Lozoff's thoroughgoing and trenchant feedback of latest society is helping his cry for simplicity stand out It's a Meaningful Life within the crowd.

i discovered out approximately Bo Lozoff via his paintings with the Human Kindness undertaking which brings kindness to prisoners. His ebook has parts:Communion and CommunityIn the Communion section, he has religious practices that will help you get to grasp your self better. locally section, he lists practices that assist you succeed in out to others and make a distinction within the world.He has a few nice rules that i've got already attempted to enhance my meditation and prayer. considered one of my favorites is the day-by-day review. You glance again in your day and notice what you probably did that you just have been proud of and what you weren't satisfied with. then you definately decide to do extra of 1 and not more of the other. Sounds simple, however it works! practices i have never attempted but and wish to are:A Day of SilenceWork/Life imaginative and prescient QuestI completely believe him that crucial factor is to make time in lifestyle to do non secular practice(s) that paintings for you.I used to be very moved via what he needed to say approximately his paintings with prisoners:"Every prisoner is a few mother's baby and we do throw prisoners out of our hearts perpetually in our current felony justice system.... We make humans worse. We take many confused, in general selfish, younger women and men who might simply be rotated by way of kindness and talents education and as a substitute we traumatize them lots that we create a felony underclass of dysfunctional, alienated those that can by no means locate their long ago into first rate society... we're hurting ourselves unimaginably, and the implications can be felt for lots of generations to come. I pray we come to our senses soon."
