# Just When We Are Safest by Reg Gadney

Reg Gadney

Alan Rosslyn is a Senior research Officer with Customs & Excise in London: an expert in smuggled goods and explosives, particularly solid at what he does. Lately for instance, he traced an enormous cache of significant excessive explosives to the home of an IRA operative. It used to be a major victory for Customs & Excise, a critical blow to the terrorist cause, and a private triumph for Rosslyn. But no good fortune may face up to the horror that abruptly engulfs him as this gripping, hugely charged novel begins: *Just When We Are Safest*. As he watches, unknowing and helpless, the girl he loves is brutally murdered in an aborted bombing attempt. Recruited to paintings undercover to trace the bomber, Rosslyn is not stunned to find that his lover's loss of life and the latest, ugly bombing are connected. However the deeper he probes, the extra astounding and annoying his discoveries become. The "reformed and reorganized" defense providers became an internecine knot of treacherous rivalries within which a number of atrocities were allowed to move unsolved. Now, a person is making an attempt to pin the blame for the worst of them on Rosslyn. With a negative experience of inexorability, he quickly involves keep in mind that the enemy is not only the terrorist outside, however the terror generated with via a brand new iteration ruthlessly vying for regulate of the antiterrorist agencies. As Rosslyn closes in on the bomber, he needs to think about the very genuine danger that the bomber can have been given the knowledge and entry to shut in on him first. Simply once we are most secure is an intricate, powerfully *Just When We Are Safest* advised story of actual risk on a countrywide scale and of ethical decay on someone scale, it all spreading outward in ever extra inclusive and unsafe circles. It's a wonderful thriller.

BORING!
