La Reine nue by Anne Bragance

Anne Bragance

Voilà un portrait de femme haut en couleur. Celui de Giuletta, distinctiveness tête et fantasque, au-dessus d'une ambitious entreprise familiale, mère de sept enfants, comptant comme autant de péchés, et romancière à succès. I. a. Reine nue s'ouvre sur ses La Reine nue moments d'égarements, des premiers troubles, des dérèglements bénins. On se doute remark cela se terminera... En attendant, l'état s'aggravant (elle décide notamment de vendre ses souvenirs, disparates et d'inégales valeurs, débités en tranches et vendus à qui veut bien l'entendre), cette famille nombreuse et éclatée va devoir se La Reine nue retrouver autour d'elle pour un journey de garde hebdomadaire. Et d'assister ainsi aux élucubrations, aux délires qui I. a. plongent parfois dans un strip-tease, laissant voir un corps décharné, flasque et pitoyable ou qui mènent à I. a. résurrection des personnages de ses propres romans. En même temps qu'Anne Bragance brosse los angeles fin d'un règne maternel, elle décrit los angeles déchéance body longue et lente d'une vieille dame vue à travers le regard de chacun de ses protagonistes, livrant donc un roman à plusieurs voix, alternant sans cesse, les enfants et Giuletta. Autant de voix, tantôt chargées de compassion, de tristesse ou d'amour, tantôt de dégoût, de dépit et de pitié. S'appuyant sur le sens et le rôle de I. a. fratrie, La Reine nue I. a. Reine nue donne ainsi le tableau vivant d'une La Reine nue maternité, où le rapport mère enfants, et réciproquement, déploie toutes ses subtilités. --Céline Darner
