Pegasus Descending

Pegasus Descending (Dave Robicheaux #15)

James Lee Burke

Detective Dave Robicheaux is dealing with the main painful Pegasus Descending (Dave Robicheaux #15) and unsafe case of his career. A bothered younger lady breezes into his native land of recent Iberia, Louisiana. She occurs to be the daughter of Robicheaux's onetime ally -- a pal he witnessed gunned down in a financial institution robbery, a tragedy that eternally replaced Robicheaux's life. In Pegasus Descending, James Lee Burke back explores psyches up to evidence, and attempts to make experience of human habit in addition to of his characters' crimes. Richly atmospheric, scary in its unexpected violence, and replete with this type of puzzles purely the easiest crime fiction creates, Burke's most modern novel is an unforgettable curler coaster of passion, surprise, and regret. The twists start whilst Trish Klein -- the one offspring of Robicheaux's Vietnam-era blood brother -- begins passing marked hundred-dollar debts in neighborhood casinos. Is she a superb child long gone bad? A victim's baby looking revenge? A promiscuous good looks seducing each person reliable inside of her grasp? and the way does her habit relate to the obvious suicide of one other "good" girl, an ace scholar named Yvonne Darbonne, who it Pegasus Descending (Dave Robicheaux #15) sounds as if participated in a school frat orgy ahead of her death? Can Robicheaux make his peace with the demons that experience haunted him considering his friend's homicide such a Pegasus Descending (Dave Robicheaux #15) lot of years ago? Can he work out how a neighborhood mobster suits into all of the schemes and deaths? Can Robicheaux's lifestyles be complete back whilst it's been shattered by means of quite a bit tragedy? as soon as again, Burke proves why he's the digital poet laureate of southern Louisiana, and why his novels, specially these that includes Dave Robicheaux, stand as extraordinary literature and leisure for our time.

“Pegasus”, no unique “Pegasus Descending”, editado em 2006, é o décimo quinto livro da série protagonizada pelo detective Dave Robicheaux, escrito pelo norte-americano James Lee Burke. O cenário da narrativa de “Pegasus” mantém-se na pequena cidade de New Iberia, no sul do Louisiana, na zona do “bayou” (pequenos “braços” ou afluentes do rio Mississippi, numa rede navegável Pegasus Descending (Dave Robicheaux #15) de milhares de quilómetros, infestado de crocodilos, mosquitos e outros insectos voadores) e de áreas pantanosas, fustigada por furacões e tempestades tropicais. O detective Dave Robicheaux continua a sua caminhada para a redenção, para a fuga ao alcoolismo e ao “delirium tremens”, dominado pelos seus “fantasmas” e por actos reprováveis que lhe ensombram o sono e os sonhos. Há cerca de vinte e cinco anos, na zona de Opa-Locka, em Miami, na Florida, Robicheaux presenciou – em estado de embriaguez - a morte do seu amigo Dallas Klein, um ex-herói na guerra do Camboja, um jogador e apostador compulsivo, enredado num assalto a uma carrinha de valores - num assassinato a sangue-frio executado por uma quadrilha organizada. Agora Pegasus Descending (Dave Robicheaux #15) encontra em New Iberia a jovem Trish Klein, a linda filha de Dallas, a “passar” notas de a hundred dólares, roubadas de um casino. Depois há três mortes que se entrelaçam – o atropelamento do Homem-crustáceo, o “suicídio” da jovem Yvonne Darbonne e o assassinato de Tony Lujan. Três casos que são apenas um único caso, que se desenvolvem no Pegasus Descending (Dave Robicheaux #15) mundo corrupto do jogo e dos casinos, em famílias “mafiosas” de relacionamentos ambíguos e complexos, onde as

ambições políticas têm um papel determinante na evolução da narrativa. Dave Robicheaux é uma personagem fascinante, um herói falhado, que luta permanente com os seus demónios e os seus fracassos, mas que mantém intacta as suas motivações, por vezes exercidas de uma forma violenta, merciless mas Pegasus Descending (Dave Robicheaux #15) sem revelar nenhum Pegasus Descending (Dave Robicheaux #15) comportamento sádico. James Lee Burke é um escritor “completo” – introduz-nos excelentes e singulares personagens, com descrições realistas e cinematográficas, com diálogos originais e intensos; interligando as várias subtramas e Pegasus Descending (Dave Robicheaux #15) tramas da narrativa, num conjunto complexo de relacionamentos humanos entre as diferentes personagens, que mantêm comportamentos desprezíveis, revelando a fragilidade do relacionamento humano, com destaque para a perpetuação dos conflitos raciais, a corrupção política e económica. “Pegasus” é um livro “noir”, com uma escrita sensual e sombria, com um humor expressivo e único – imperdível. “Nessa noite sonhei com cavalos Pegasus Descending (Dave Robicheaux #15) a galoparem num vasto cercado poeirento, silenciosamente, os músculos ondulado como cordas oleadas. À distância, prados e colinas verdejantes suavemente encurvadas Pegasus Descending (Dave Robicheaux #15) e um ribeiro de margens ladeadas por choupos. Na manada havia cavalos..., as bocas escorrendo saliva, a respiração colectiva intensa como o batimento de tambores índios. O céu period rasgado por raios de tempestade, o ar cortante com a promessa de chuva. Mas não havia água dentro do cercado, apenas calor, nuvens de poeira e estrume.” (Págs. ninety three e 94) “Molly (a ex-freira, mulher de Dave Robicheaux) mexia-se, ainda a dormir, a anca arredondada por baixo do lençol, o traseiro quente a roçar em mim. Passava os dedos no seu cabelo, descia-os pelos ombros, pelas costas e ao longo da curva da Pegasus Descending (Dave Robicheaux #15) cintura. Beijava-lhe o pneu da cintura e os dois sinais vermelhos por baixo do umbigo. Beijava-lhe os seios, a barriga, os lábios e os olhos, depois puxava-a para mim, enterrando o meu rosto no aroma espesso do seu cabelo. Quando fazíamos amor ela fazia-o sem restrições, reservas ou ressentimentos ocultos por causa de um comentário torto ou ofensa imaginária. A bondade e o sorriso de Molly seguiam-na para a cama, e de manhã a pele dela tinha o cheiro quente como as flores do jardim. No azul-escuro da madrugada escutava a sua respiração ritmada no meu ouvido...” (Págs. 176 e 177) “Frequentemente, numa investigação de um crime violento que tenha sido o culminar de toda uma vida de desejo de vingança e de provocar sofrimento, o que as pessoas não nos dizem é o mais importante do que aquilo que dizem. Vítimas de violação querem ver arrancadas as unhas dos violadores. Mesmo depois de o culpado estar morto, familiares das vítimas de homicídio, seja qual for a sua crença religiosa, passam uma vida inteira a debater-se com a fúria e a vontade de se vingarem, como se o fantasma do assassino se tivesse alojado nos seus lares.” (Pá. 333) Dave Robicheaux tenta desvendar os crimes: “A chave para tudo isto brilhava fugazmente na periferia da Pegasus Descending (Dave Robicheaux #15) minha visão, como um fragmento de memória de um sonho que Pegasus Descending (Dave Robicheaux #15) permanece de manhã, ao despertar. Estava unida a um pormenor insignificante, uma referência oblíqua que eu tinha ignorado, uma diminuta prova física que period como um grão de areia numa praia. Mas o quê?” (Pág. 346)
