Emily Walcott es una joven temperamental y con una férrea voluntad, como una hija obediente ha decidido aceptar el futuro que sus padres le han elegido. Los Angeles vida en Sheridan transcurre plácida, Emily pasa los días entre la herrería de su padre y los libros de veterinaria, carrera a la que dedica toda su pasión. Charles, su amigo de infancia y futuro esposo no despierta en ella más que un sentimiento fraternal, en cambio Tom un joven emprendedor que llega a la población para instalar una herrería, convirtiéndose así en competidor de su padre, despierta en ella sentimientos contrapuestos. Ambos librarán una feroz batalla, en los Angeles que la pasión se convertirá en un abismo tan insondable como sus propios sentimientos.
