Senza Senza sangue sangue by Alessandro Baricco

Alessandro Baricco

Manuel Roca e i suoi due figli vivono in una vecchia fattoria isolata nella campagna. Un giorno quattro uomini su una vecchia Mercedes imboccano Senza sangue los angeles strada polverosa che conduce alla loro casa. Come se stesse aspettando quel momento da sempre, Manuel Roca non perde un attimo e chiama a sé i due figli. Qualcosa di terribile sta according to accadere; qualcosa che sconvolgerà irrimediabilmente los angeles vita di tutti, soprattutto quella della piccola Nina.

Confesso, conscio Senza sangue di rischiare di attirarmi le ire degli ammiratori di Baricco e di questo romanzo in particolare, che io di "Senza sangue" taglierei senza pietà I. a. prima parte e terrei solamente los angeles seconda, in particolar modo le scene al caffè e all'albergo. In queste scene, infatti, si concentra, secondo il mio modesto ed opinabilissimo parere, il significato profondo e I. a. bellezza del romanzo. Romanzo che si rivela nell'essere di colei che fu Nina e poi divenne, nelle Senza sangue sue vite successive, prima Dolce e poi Donna Sol, alquanto pirandelliano come d'altronde viene confermato da una frase della stessa (ex) Nina "Noi viviamo una vita sola ma gli altri ce ne vedono vivere molte di più" (la frase non è forse esatta alla lettera ma lo è nel senso). In queste scene infatti si consuma I. a. tregua tra los angeles ex bambina nascosta in una sorta di nicchia sotto al pavimento di quella che fu los angeles sua casa e colui il quale fu tra gli uomini responsabili della morte del padre e del fratello in uno scampolo di guerra dopo los angeles guerra. Nel caffè Nina, ora Donna Sol, cerca spiegazioni dal più giovane membro del commando e questi, pur dopo una serie di proteste, accetta di raccontare los angeles storia o meglio los angeles propria versione della storia. Al termine del racconto l'ex ragazzo che tutti chiamano Tito, un ragazzo ormai divenuto un uomo anziano, si mette a piangere, senza nascondersi e senza vergogna, lì nel caffè quasi che il racconto da poco terminato e quello che los angeles ex piccola Nina ha detto a sua volta gli avessero fatto tornare quell'umanità che nel suo essere soldato di allora e tutte le favole che in seguito si period raccontato in step with giustificare l'operato suo e dei suoi compari aveva contribuito a much sparire dal suo cuore e dalla sua anima. I. a. conclusione finale di questa speed tardiva tra i due avviene nel terreno neutrale di una stanza d'albergo nella quale i due si concedono qualche ora d'amore. a much da sfondo a questa velocity Senza sangue è ancora una luce rossastra, los angeles stessa tinta che aveva illuminato quella fatale notte di tanti anni prima. Quella volta period prodotta dalle fiamme che avevano raso al suo los angeles casa di Nina e dei suoi familiari; questa volta scaturisce dall'insegna dell'albergo posta proprio all'esterno della finestra della stanza nella quale si trovano Nina e Tito.
