# Son of the Sword by Julianne Lee

Julianne Lee

"Ancient sword of my people, deliver me a hero, to save lots of from tyranny the little children of this land. enable a Matheson lay fingers on you and develop into that hero." So speaks the faerie Sianann as she musters what's left of her powers in a determined try and store her cherished homeland. In 1713, Scotland's Jacobite rebels face their darkest hour. they wish new blood, a brand new chief to aid them struggle Son of the Sword English oppression. and they're approximately to get one...Dylan Matheson is a regular man with usual problems: family, girlfriend-the usual. yet he likes his life, dwelling above the dojo the place he teaches martial arts and swordfighting. Then in the future at a Medieval Faire, he sees an impressive broadsword. he's taking it in hand-and is transported to a time and position he is basically learn about. Now Dylan Matheson, traditional guy, is ready to embark upon a unprecedented adventure. and it'll take all of his skills-plus a little bit magic-just to survive.

SON OF THE SWORD-VG-SciFi - Time go back and forth / Romance, faerie, 1713 ScotlandLee, J. Ardian (aka Julianne Lee)In this earnest mixture of heritage and romance, within the culture of Twain's Connecticut Yankee, a latest American travels Son of the Sword again in time, the following to 1713 Scotland, the place Jacobite rebels are in deep trouble. Alas, his tale fails to generate a lot pleasure until eventually the poignant ending. England and Scotland have fought on and off over the centuries, with the English frequently victorious. Son of the Sword After another Scottish defeat, the faerie Son of the Sword Sinann ireland holds up a very good sword and calls upon it to "bring me a hero, a Cuchulain." The sword obliges. From Tennessee, Dylan Matheson, knowledgeable in Scottish history, swordplay and kung fu, abruptly unearths himself in a impolite Scotland of 3 centuries earlier. sooner or later he proves himself a useful champion to the obvious folk, faces demise and falls in love with the gorgeous Cairionagh, daughter of a haughty laird. He additionally tolerates the mischievous attentions of the faerie who plucked him out of the present.
