# **The Future of Atheism: Alister McGrath & Daniel Dennett in Dialogue**

Robert B. Stewart

Containing the transcript of a full of life discussion among Alister McGrath and Daniel Dennett concerning the prestige of atheism, this e-book highlights issues of contract and confrontation among the two.

the topic of atheism has been a lot within the information lately with the hugely publicised liberate of extensively atheistic books by means of such notables as Richard Dawkins and Christopher Hitchens. The preliminary a part of this useful publication is the transcript of a discussion among major thinkers, Oxford theologian Alistair McGrath and American thinker Daniel Dennett, which matches some distance to environment the present debate approximately atheism in a correct context. this is often then via a superb selection of extra essays by way of a variety of different spiritual and philosophical thinkers which proceed to extend upon a variety of points of the McGrath/Dennett dialogue. those writers jointly *The Future of Atheism: Alister McGrath & Daniel Dennett in Dialogue* spotlight the issues of contract and confrontation relating to the current prestige of atheism and which worldview, atheism or Christianity, is preferable. The booklet is basically a truly welcome civilized debate among Christians and Atheists. The articles are fascinating, good informed, and good written. McGrath and Dennett are either popular and current coherent and convincing argument in their respective positions, and *The Future of Atheism: Alister McGrath & Daniel Dennett in Dialogue* the assisting articles upload tremendously to the outlet dialogue. The booklet is a smart review of the present most sensible arguments for and opposed to either Christianity and Atheism. it really is possibly pointless to assert that no convinced end both for or opposed to both sides is reached. notwithstanding what this publication exhibits is that every part of the argument wishes the opposite to stimulate and sharpen their very own thinking. there are various lazy *The Future of Atheism: Alister McGrath & Daniel Dennett in Dialogue* default positions on each side of the debate, none of to be able to be at liberty being challenged by way of the strong thinkers during this book. the single end that may be drawn from this publication is that the way forward for Atheism is set pretty much as good or undesirable because the way forward for Christianity.
