# The Shawnee by Jerry E. Clark

Jerry E. Clark

Many Indian tribes claimed Kentucky as searching territory within the eighteenth century, although for the main half their villages have been outfitted elsewhere. For the Shawnee, whose place of origin was once within the Ohio and Cumberland valleys, Kentucky was once a necessary resource of game, and the skins and furs have been very important for trade. While Daniel Boone explored Kentucky in 1769, a band of Shawnee warned him they wouldn't tolerate the presence of whites there. Settlers might bear in mind the caution till 1794 and the conflict of Fallen Timbers. In "The Shawnee," Jerry E. Clark eloquently recounts the tale of the sour fight among white settlers and the Shawnee for ownership of The Shawnee the region, a clash that left its mark within the legends of Kentucky.

## The Shawnee
